

8 Year Old Reptile Encounters 2017 Summer Camp Registration

(This registration is for our 8 Year Old camps – only for campers age 8)

Thank you for your interest in the Phoenix Herpetological Society's 8 Year Old Summer Camp Program: Reptile Encounters 2017! We are passionate about the conservation of native & exotic reptiles and are excited to share our animals, experience, and knowledge with your child. We appreciate the effort you are putting forth in this registration process. Please know that everything we ask for in this registration is to help prepare our staff, counselors, and volunteers for the individual children who will be attending each camp & to ensure that each child has the experience of a lifetime. **Your detailed, accurate answers help us achieve a safe & well-prepared camp atmosphere.**

Camp Details

- ✓ To apply, send the completed enclosed registration form (please make sure to sign and initial where required) and your payment via email (preferred) or U.S. mail. I will confirm receipt of all and provide additional information then.
- ✓ All camps begin promptly at 9:00 am and end at 3:00 pm. Please make appropriate transportation arrangements. If you need before or after care, please complete that section on the last page so that we are prepared for your child on those days. (Additional fees apply).
- ✓ Registration cost is \$275 per child. This covers all 5 days of camp, a t-shirt, healthy morning & afternoon snacks, water, a camp journal, & all lab supplies. Space is limited; we cannot offer refunds upon cancellation or missed days.
- ✓ We do offer a discount for siblings and/or registering for multiple camps: \$25 off each additional camp.
- ✓ Please note this is an academic camp, but is full of fun, memorable, and positive activities and experiences for your child. They will be asked to complete a pre-test and post-test, but other writing tasks are limited.

Information for Parents

- For our returning campers, we will do check out a little differently this year and you will receive more information about that after your child's registration has been processed. We will still require ID of anyone picking up your child – this is for **their safety** so please be sure that you or anyone authorized to pick up your child brings a picture ID with them. We will not release your child without proper ID.
- Check in will start at 8:45 am each day. Before/after care options are on page 5 of this registration.
- Your child must wear a Reptile Encounters 2017 Summer Camp T-Shirt each day. You may purchase an additional t-shirt by completing that section of the registration on page 3.
- Your child must bring a sack-lunch each day. **We do not provide lunch.**
- Our mailing address is different than our physical address. Please send all correspondence to our mailing address!
- Please notify me (Cristie) **in advance** if you pick up or drop off your child at an irregular time.
- We cannot apply sunscreen or insect repellent to any camper. Please apply either or both prior to camp, as campers will be outside for part of the day each day and mosquitoes are an unavoidable but ongoing concern during camp.
- When I receive a registration, I will send more information via email, so please be sure to put down the email address you will use most often on page 3 of the registration form.
- Please **DO NOT SKIP** any section of this registration. They are all important and need to be acknowledged by the parent/guardian signing the child up for camp. Please do not cross out any section or write N/A where the child's name or your initials should go.
- Only submit pages 3 – 5 of the registration. Keep pages 1 & 2 for your records.
